

# Pan European ST1300/ABS Options

## Genuine Honda Accessories

The best in its class the 2002 Pan European transcontinental super-tourer from Honda has been designed to give the highest level of comfort and luxury from a unique sports touring motorcycle. To assure its owner's total satisfaction and long-term riding enjoyment a comprehensive range of Genuine Honda Accessories has been developed.

**Top Box 45ltr Inner Bag**  
A resilient top box inner bag which protects its contents whilst offering a handy adjustable shoulder strap. The bag also features an expandable front pocket.

GENUINE ACCESSORIES

For your peace of mind Genuine Honda Accessories are carefully designed, researched and stringently tested to the highest standards. And since they're Honda approved you'll know that they're just as tough and well made as your Honda motorcycle.

**Options**  
Genuine Honda Accessories

These specification details do not apply to any particular product which is supplied or offered for sale. Manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from him on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your selection is dependent upon one of the features advertised. Subject to availability.

**2 Pannier Inner Bags**  
Set of two fabric, pannier shaped, inner bags. Easily transferred using the handy carrying straps. Expandable front pockets. The two bags can be attached and carried as one using the shoulder belt.

**3 Top Box 45ltr**  
Capacious top box giving space to store two full-face helmets and more besides. Lockable and detachable. Top box rear carrier and pillion backrest pad included. Colour coded to match your motorcycle. Green, Red, Silver.

**4 RDS Radio**  
RDS radio system that automatically changes reception frequencies to seamlessly follow favourite stations across the continent. Featuring a GA Net (Global Amusement Network) allowing the use of additional electrical equipment, for example, CD Changer etc. Radio core installed in left fairing upper (locking) pocket. Unit is pre-wired for audio power supply.

**5 CD Changer**  
A Pioneer multi-disk (six), CD changer for long hours of convenient listening enjoyment. The CD changer is fitted out of sight for maximum security and protection against the elements.

**6 Sub Harness**  
Mounting bracket with active anti-skip devices included. To be installed in right hand side pannier. The sub harness is needed to fit the following items, either in conjunction with one another or individually:

- Grip Heaters
- 12V socket
- RDS Radio
- Front Speakers

**17 Pannier Scuff Pad Set**  
Set of two (left and right hand) black polyurethane pannier scuff pads for impeccable protection of the painted pannier lid front corners. Can be painted in the body colour.

**18 Pillion Arm Rest Set**  
Set of two polyurethane arm rests installed on the left and right hand side of the top box lid for even more pillion comfort.

**19 Tank Bag**  
A 28 litre tank bag which consists of three horizontal compartments, each one houses a map holder. The bag is attached to the bike with straps and also includes a waist bag.

**20 Cargo Net**  
Useful net to secure luggage to rear carrier and/or pillion seat. Available in Black.

**7 Front Speakers**  
Pair of waterproof speakers installed in left and right hand side dash area. Enclosure box for better sound quality. 10W output. For connection you should purchase item 6.

**8 Protective Film**  
This self-adhesive, clear film can be cut to fit any area of paintwork, to help prevent scratches.

**9 Grip Heater Kit**  
Flexible, adjustable grip heater to warm fingers on cold winter mornings. The grip heater incorporates a plate that heats the underside of the grip. Integrated circuit to protect the battery from drain. Harness included. For connection you should purchase item 6.

**10 12V Socket**  
This DC electrical socket provides power to operate additional electronic equipment. Easily mounted inconspicuously in the upper right fairing compartment. For connection you should purchase item 6.

**11 Top Box Spoiler**  
Easily fitted spoiler for aerodynamic style (potential to be wired with rear light).

**22 Body Cover**  
Manufactured from water-resistant, breathable fabric that enables the motorcycle to dry. Offers good protection from UV rays. A rope is included to tighten the lower edges to avoid damage in bad weather. Also there are two holes in the front so that a lock may be used.

**21 Pannier Inner Straps**  
A set of elastic straps to keep all your personal effects secure. One set fits one pannier.

**23 U-Lock 120/340**  
Designed to offer greater security. Complete with tamper-resistant barrel and key. Easily stored under seat.

**12 Mirror Deflector Kit**  
Set of four (two upper and two lower). Protects rider and pillion from the elements, strongly diminishes rider and pillion body turbulence. Mirror deflectors can be painted in the body colours.

**13 Tank Pad**  
Rugged, padded tank protector, featuring 3D Honda logo.

**14 Knee Pad Set**  
Set of left and right hand soft polyurethane knee pads, to protect knee caps from fairing body.

**15 Fairing Deflector Set**  
Set of four wind deflectors (left and right), to minimise rider and pillion turbulence. Set contains left hand and right hand upper, mid and lower fairing side deflectors. Black polyurethane. The deflectors can be painted in the body colour.

**16 Honda Bond A**  
A special, heat-resistant glue to be used when fitting heated grips.
